**Reminder** – for your own protection you must always **use your own Broker code and login - never** share with others. Failure to adhere to this may result in your accreditation being terminated and ultimately you being held accountable for all actions executed under your details. To be avoided at all costs.

**Working with Referral Sources** – it is your (the broker's) responsibility to identify and complete the application directly with the customer, you are required to obtain all supporting documents directly from the customer. Failure to adhere to this may result in your accreditation being terminated.

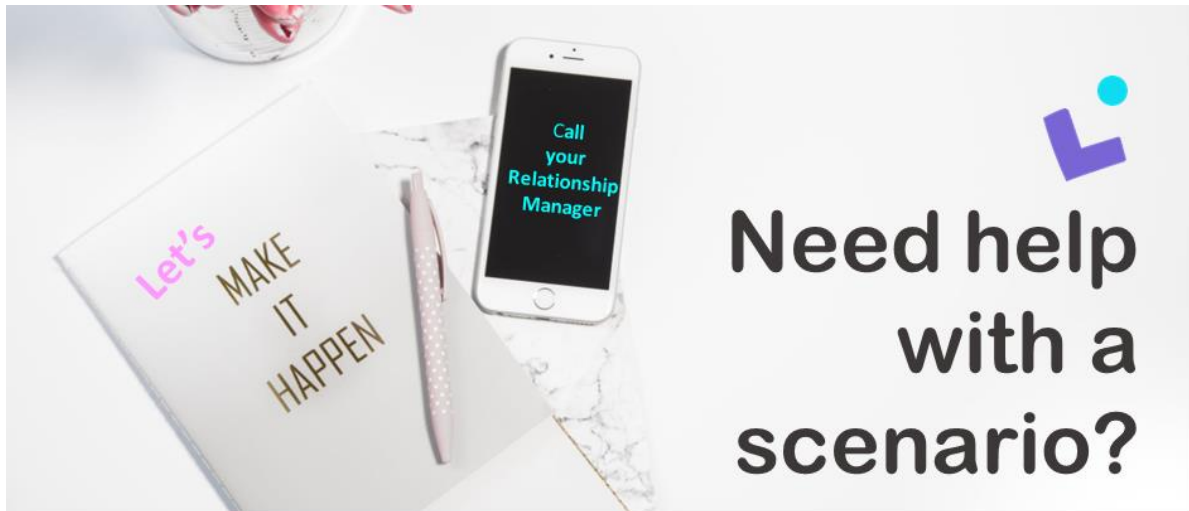

## Lending Responsibly....

We remind you of your (the broker's) role to lending responsibly and dealing with customers. Please refer to the attached 'Lending Responsibly' document.

## Quick Wins for your customer's....

**Latitude Personal Loans** – adding Security to the value of \$10,000 or more, the applicant is eligible for the full secured referral limit we can offer.
