

## Partner Experience Survey is Now Available

Our most recent Partner Experience survey has been sent out to your brokers and is available to be completed until the **14 October 2022**.

This provides your brokers a with a great opportunity to provide feedback directly to us, letting us know where we can improve and what it is we are doing well. The commentary provided will be used to determine how we can support both you, your brokers and your valued customers.

If you have any questions regarding the survey, please speak with your Partner Relationship Manager.
