Resimac Aggregator update

Changes to Commission Reports

Hi there,

On 14 November 2022, Resimac will be launching a new online loan management platform. We hope these changes will positively impact your business and provide an improved user experience. One change aggregators will notice is a new look to the upfront and trail commission reports.

The new reports will feature:

- A new PDF RTCI summary of the period's commission payments (for upfront and trail)
- An updated Excel spreadsheet of the individual commission amounts for the period (for upfront, trail and clawbacks)
- For your reference, please find an example of the [Excel spreadsheet here](#).

The upfront and trail commission reports will continue to be distributed on a monthly basis.

Please note: No action is required from you. The new reports will automatically come into effect from 14 November 2022.

If you have any questions, please don't hesitate to get in touch.

Kind regards,
