### Important Updates & Reminders.....

Our Motor Recreational Rate Sheet has been updated to reflect relevant asset types for end of term information (no change in rates). Updated rate sheet attached.

**Reminder** – for your own protection you must always **use your own Broker code and login** - **never** share with others. Failure to adhere to this may result in your accreditation being terminated and ultimately you being held accountable for all actions executed under your details. To be avoided at all costs.

From our team to yours, we wish you all a merry and safe Christmas and New Year! Enjoy time with your family and friends, thank you for your support in 2022 and we look forward to continuing our relationship in 2023 and beyond.
