

Response to recent RBA decision

Following the Reserve Bank of Australia's decision to raise the cash rate on 6 December 2022, today we announce that for existing home loan customers we will be increasing variable home loan interest rates by 0.25% p.a. **effective 22 December 2022.**

An updated rate board will be provided closer to the effective date.

If you have a customer experiencing financial difficulty, please encourage them to contact our Mortgage Help Centre on **1800 650 258** for support and to discuss their options.

Regards,

Third Party Banking
