

The following update will be shared with your brokers by our BDM's this week, but please feel free to add to your aggregator communications to brokers:

We're excited to share with you the expansion of our policy in respect of acceptable non-permanent resident Visa types!

Please see the attached flyer - this document provides a current overview of ANZ's acceptable non-permanent resident Visa subclasses for non-resident customers requiring Home Loan finance.

Please feel free to share this flyer with your customers who may benefit from or have expressed an interest in learning more about the policy.
Please note the flyer must not be used for mass distribution.

If you have any queries, please don't hesitate to contact your BDM.
