

Motor Application Changes

Great news!

With our Personal Loans live on the Broker Portal, we are now focusing on including Motor applications as well. Further details will be provided in due course regarding the launch date.

What does this mean for you?

Soon the Broker portal will be your one stop shop for all your applications and resources! No more jumping between systems to check your applications.

As part of this transition, we will be unable to process joint applications and/or accommodate balloon repayments. In preparation for this, we will be **unable to accept new joint applications and/or applications with balloon repayments after Friday 31st March 2023.**

All **pending** joint applications and/or applications with balloon repayments **must be funded & settled by Friday 28th April 2023.**

Shortly your Relationship Manager will be in touch to discuss any pending joint applications you may have.

We are excited to make this change to simplify working with Latitude, and we thank you for your continued support.
