

Variable interest rate update effective 16 March 2023

Hi there,

As you are aware, the Reserve Bank of Australia (RBA) recently increased the official cash rate by a further 25bps following their March meeting.

As a result, we will be increasing the variable interest rates for all Resimac-funded home loan customers by 25bps. We will also be increasing the new business variable rates across all our home loan products by 25bps – Prime (Full Doc), Prime Alt Doc and Specialist (Full Doc and Alt Doc).

Our new rates can now be viewed [here](#).

On **Thursday 16 March 2023**, these changes come into effect and our mortgage brokers will be able to view the new rates on [Resimac BrokerZone](#).

If you have any questions, please don't hesitate to reach out to your [Resimac BDM or Relationship Manager](#).

Kind regards,

Chris Paterson

General Manager – Distribution
