

Aggregator Special Notice

Wednesday 12 April 2023

A new Instant Pricing Tool is now live on the Broker Portal, providing our best discretionary price for applicable **new lending** with Suncorp Bank in a matter of seconds.

All brokers accredited with Suncorp Bank can use the tool to complete pricing requests, then upload the pricing approvals to their applications prior to submitting in ApplyOnline (AOL).

Brokers are being advised of this change today, and can continue to follow their current process for pricing requests on existing loans. Brokers can also contact their BDMS for questions about the Instant Pricing Tool.

More information is in the [FAQs](#) that have been distributed to brokers.
