Refinancing with Resimac can help put clients in a better financial position

Hi there,

We know a lot of borrowers may be doing it tough at the moment.

At Resimac, we've designed our products to be as accessible as possible, as well as give borrowers an opportunity to improve their financial position.

As well as our serviceability assessment buffer of only 2.00%p.a. for all products, we also offer the following loan options when borrowers refinance with Resimac:

- Business debt refinance
- Payout ATO debts (Specialist products only)
- Unlimited cash out regardless of loan size
- Unlimited debt consolidation (Specialist Full Doc)
- Eligible applicants can have owner-occupied pricing for their investment property when they bundle their owner-occupied and investment loans (up to 80% LVR)
- We've waived our interest only loading, which means eligible clients can have P&I pricing on all of our interest only loans

Kind regards,

The team at Resimac
