New business lending application makes it easier to do business with Suncorp Bank.

We're introducing a new business lending application form to make it faster and easier for brokers to do business with us.

The new form reduces the time and complexity involved in completing manual applications. **It will replace the small business and business banking loan application forms from Monday 28 August 2023.**

The new Loan Application Form can be used for new facilities or variations to existing facilities as follows:

- Term Loan;
- Bank Guarantee;
- Business Overdraft;
- Equipment Finance (for existing commercial relationship managed clients only);
- Business Line of Credit; and
- Home Loan (for Business Banking customers only when requested with a Business Lending product).

Where two or more products are selected, the new application form auto populates information, so you don't have to. Electronic small business applications process remains unchanged.

[Download the new application form](#) and follow the [User Guide](#) to complete an application. The application form will also be available on the [Suncorp Broker Portal](#) from Monday 28 August 2023.
