

Technical update: CPD webinar invitation

A legislative development stock-take | Part I

Hosted by Macquarie Technical Advice Services

The Government's reform agenda continues to progress, particularly in the financial advice and superannuation areas. In part one of this series, Macquarie's technical specialists, David Barrett and Will Moloney, will take you through the latest developments and analysis:

- Current advice developments, including the Government's implementation agenda for the Quality of Advice Review recommendations and the status of the experienced adviser pathway proposal.
- Superannuation measures, including the objective of superannuation and the additional 15% super tax developments.
- ATO's announcement of new tax residency rules and the Your Future Your Super (YFYS) trustee-directed product performance testing.

Part two of David and Will's commentary will take place in December 2023 with invitations to be sent in mid-November.

Join us for this detailed technical update for financial services professionals to stay in-the-know.
