Hi,

You asked, we listened.

We know you would rather be spending time with your clients than navigating lender serviceability and credit policies. That's why we're thrilled to share that we're now live on [Quickli](#).

Quickli lets you check lender servicing calcs in seconds. Helping your clients get to 'yes' quicker (and easier) than ever.

Quickli makes it easier to find niche policies (just like ours):

Renters

Six months rental history accepted in lieu of genuine savings for first home buyers.

Families

We utilise 100% Centrelink income and child support income up to the age of 18 (for LVR <80%).

Overspenders

No genuine savings required for LVR <90% .

Self-employed

Most recent tax return and 12 month registered ABN accepted (for LVR <80%).

Newly employed

No minimum term for permanent employment (for LVR <80%).

If Quickli isn't already a part of your toolkit, [see how Quickli can help your business](#) with no more searching, finding, downloading, opening and running spreadsheets for each scenario.

Thank you for your continued feedback and ongoing support, we look forward to reaching new heights together!

Should you require any further information, please contact me on aaron.dvaz@pnbank.com.au.
