

Construction Upfront Valuations Process Change

Following a review of our valuations process, we will be removing the option to order free upfront valuations for construction loans.

A construction valuation will be only ordered by the Bank, after conditional approval of an application.

Please note this change will be effective **15 February 2024**.

Thank you for your understanding and if you have any questions or concerns, please contact Select Assist on 1300 738 336 or your Partner Relationship Manager.
