Resimac Aggregator update

Submitting your loans in 2024 is easier than ever

Happy New Year!

With 2024 underway, here's an update on our SLAs and a reminder about the various improvements we introduced last year:

- Improved SLAs: 3 days to decision.
- Improved serviceability and credit policy (including 2% serviceability buffer and use of 90% residential rental income)
- New eSign, NextGenID and NextGen Access Seeker tools added to ApplyOnline.
- Increased maximum LVR for units and apartments.
- Fewer supporting docs required, including council rates notice when refinancing (with the exception of Specialist Plus/Assist).
