

## Product updates and new mobile app.

Hi there,

**Effective Monday 15 April 2024**, we are making a few changes to our Prime Alt Doc and Specialist products.

We have also launched a new Resimac mobile app for customers.

### Prime Alt Doc

One of our most popular products, Prime Alt Doc, will be available at higher LVRs up to 90%, enabling more self-employed borrowers to benefit from the sharp rates, versatility and flexibility.

This follows other recent Prime Alt Doc improvements, including unlimited cashout and increasing the max loan amount to \$2.5 million.

### Specialist Full Doc and Alt Doc

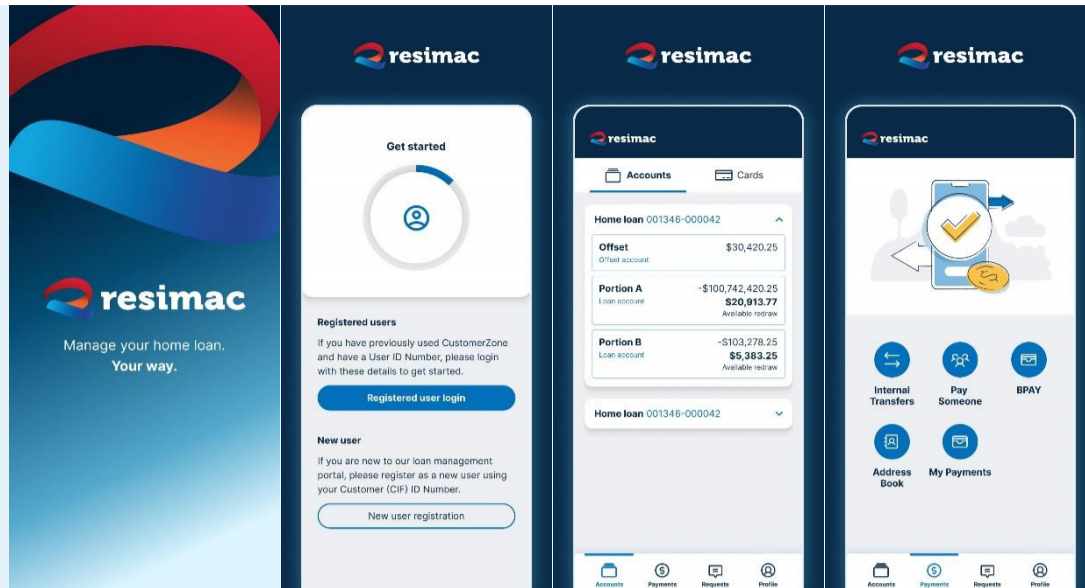

The risk fee for Specialist is being reintroduced up to 70% LVR as follows:

- Specialist Full Doc risk fee: 0.75%
- Specialist Alt Doc risk fee: 1.00%

## Resimac mobile app

Our new mobile app is now available for all customers, enabling them to manage their Resimac home loans, as well as access a variety of features and capabilities, from their mobile device.

Customers have been sent an email with details on how to download the new app and log-in. If they haven't received the email, they can contact our Customer Care team on [1300 764 447](tel:1300764447).
