

Have you reported all Resimac-related complaints and significant dealings for the recent quarter?

Hi there,

As part of the Design and Distribution Obligations (DDO) introduced in the Corporations Act 2001, you are required to report all Resimac-related complaints and/or significant dealings within 10 business days of each occurrence.

If you have not yet submitted all Resimac-related complaints and/or significant dealings for the most recent quarter, you must do this now using the following submission methods:

- Register a complaint [here](#).
- Report a significant dealing by emailing compliance@resimac.com.au, providing the date and detail (e.g. why the dealings are inconsistent with Target Market Determinations).

You have 10 business days from receipt of this email to do so.

If you have already registered all complaints or significant dealings for the past quarter, or you didn't receive any, you can ignore this email.

You can access Resimac's Target Market Determinations [here](#). Please note that we've recently updated the Target Market Determinations for our Prime Alt Doc, Specialist Full Doc, and Specialist Alt Doc products as of 15 April 2024.

If you have any questions or concerns, please reach out to Resimac's Compliance Team by email (compliance@resimac.com.au), your [Resimac BDM/RM](#).

Kind regards,

The team at Resimac
