Resimac Aggregator update

We've removed clawbacks on all of our Specialist products.

Hi there,

Effective on newly settled loans from **Wednesday 1 May 2024**, we are removing clawback on all of our Specialist Full Doc and Specialist Alt Doc products.

The current clawback calculation and policy will remain in place for all other Resimac products as well as Specialist products that settled before 1 May 2024.

This change also complements the increased up-front and trail commissions we offer brokers on our Prime Alt Doc and Specialist loans.

Specialist products provide a solution for customers who traditionally fall outside the standard credit guidelines and are an option prior to transitioning into a Prime lending product.

Clients who can benefit include:

- Credit-impaired;
- Non-standard income earners;
- Shorter term self-employed; and
- Debt consolidation for ATO, private and/or solicitor debt.
